Whether you are a new or existing client, we would like to thank you for choosing St Boniface Vets. Our aim is to provide the best possible care for your horse to maximise their health and performance.

HEALTHY HORSE CLUB

Prevention is better than cure! The HHC covers the main preventative health issues of your horse to ensure a long and happy life. The HHC does not cover treatment for unexpected illnesses or accidents – you will need an insurance policy to be covered for these eventualities.

Please refer to the details in this leaflet to confirm what is included in the HHC package you have chosen. It is your responsibility to ensure that you receive all the benefits included in the HHC you have chosen.

THE DIRECT DEBIT GUARANTEE

This Guarantee is offered by all banks and building societies that accept instructions to pay Direct Debits. If there are any changes to the amount, date, or frequency of your Direct Debit, St Boniface Veterinary Group will notify you 5 working days in advance of your account being debited or as otherwise agreed.

If you request St Boniface Veterinary Group to collect a payment, confirmation of the amount and date will be given to you at the time of the request. If an error is made in the payment of your direct debit by St Boniface Veterinary Group or your bank or building society, you are entitled to a full and immediate refund of the amount paid from your bank or building society. If you receive a refund you are not entitled to, you must pay it back when St Boniface Veterinary Group asks you to. You can cancel the direct debit at any time, by simply contacting your bank or building society. Written confirmation may be required before they can cancel any payment you have made.
